**RESPONSE TO FINAL OFFICE ACTION MAILED FEBRUARY 2, 2005**

This correspondence is filed in response to the Final Office Action dated February 2, 2005, giving the Applicant three months in which to respond. As such, this response is timely and is intended as a full response to the Office Action.

**Ownership**

The examining attorney stated that the ownership has not been properly established for the application because the reel and frame number are incorrect on the Assignee Ownership/Consent Form filed by the applicant. Applicant respectfully traverses.

In its Assignee Ownership/Consent Form, a copy of which, downloaded from the U.S. Patent and Trademark Office web page, is attached hereto as Exhibit "A", a first assignment is documented as having been recorded on Reel 9611, Frame 0925 and a second assignment is documented as having been recorded on Reel 11064, Frame 0058.

As is seen on the Patent Assignment Abstract of Title, retrieved from the USPTO web site Patent Assignment Query System and attached hereto as Exhibit "B", a first assignment from Albert
